

Merry Christmas

14 December 1992

Dear _____

I hope things are going well for you and your family.

As you are probably aware, the depositions hearing is going on at the moment at the Tribunal Room, Christchurch District Court. This is no doubt a stressful time for all families involved, however, things are going as well as can be expected under the circumstances.

The support groups are winding down for this year but it is envisaged that these will commence again in February 1993.

I am officially on leave over the Christmas break and during January. However, I will be in Christchurch most of this time and am available for support. Please contact me on my home phone number 332-2679 should you need anything.

An informal support group will operate from Christmas onwards on Monday morning 10.00 am to 12.00 noon at my home, 20 Aylmer Street, Christchurch 2 (off Colombo Street passed the Beckenham shops), beginning 28 December 1992 and every Monday throughout January. You are all welcome to come and have a cup of tea and a chat.

I wish you and your family a peaceful and restful Christmas break. I hope all goes well for you.

Kindest regards
