Jan

I have been asked by Buddle Findlay, who are acting on behalf of Christchurch City Council, to appear before the Employment Court tomorrow morning.

The case concerns a PG taken out against the council by a number of former workers from the Christchurch Civic Creche.

I would be grateful if you could have a critical look at the brief of evidence, prepared for me and advise accordingly. Would it be possible to get your comments by mid-afternoon.

Many thanks

Bede
