Subject: Re: PETER ELLIS MINISTERIAL INQUIRY

Michael, following a discussion with Val today, I have sent e-mails to Dr Sas and Prof Warren - the latter, in the form of an enquiry only.

I have also e-mailed Prof Davies, asking whether he can improve on the February delivery date.

When we have responses, I will let you have a short report which could be passed on to the Minister. Obviously the reporting date will need to be revisited.

Regards, Thomas Eichelbaum
